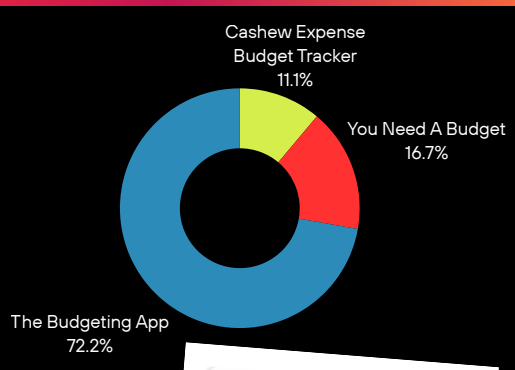
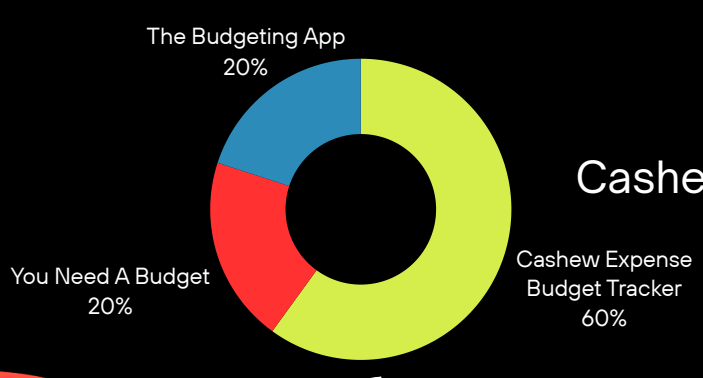
BEST BUDGET TRACKER

EASE OF USE



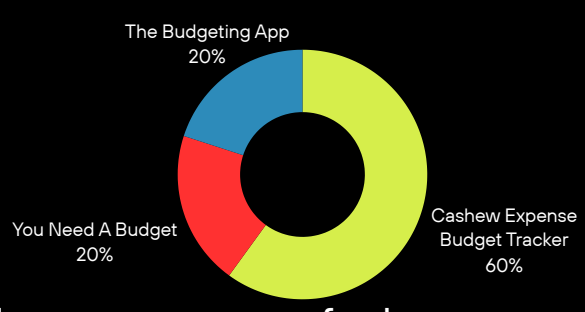
The Budgeting App

VISUALIZATION



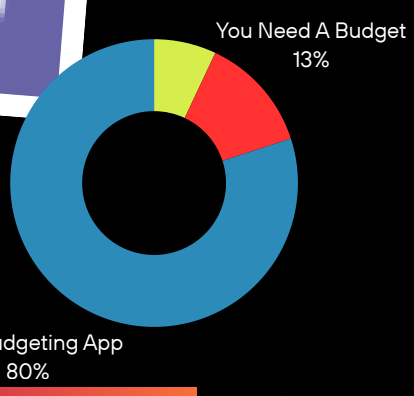
Cashew - Expense Budget Tracker

CUSTOMIZATION



Cashew - Suitable for advanced user, numerous features.

GAMIFICATION



The Budgeting App compares best with superior behavioral motivation. Challenges are fallible and users are engaged!

ZERO-BASED BUDGETING

You Need A Budget is **special** in that every Rand of income you earn, is intentionally allocated to a category before it is spent, making you more accountable and ultimately more successful in planning your budget!

Cashew and The Budgeting App lack this awesome feature.

OVERALL WINNER

Best over all categories, visually impressive, most balanced experience.

Easy to setup, with guided onboarding.
Intuitive to understand.
Simple Navigation.
Crisp, Clean UI.
